SITLOSOPHY®

UNI EN ISO 9001
UNI EN ISO 14001
UNI EN ISO 45001
UNI EN ISO 37001

IT Il progetto Sitlosophy® nasce dall'esperienza e dalla tradizione familiare, unendo eccellenza artigianale, cultura del design e visione contemporanea. Il Made in Italy rappresenta uno dei valori fondamentali del brand, garantendo qualità, cura dei dettagli e attenzione in ogni fase produttiva.
Sitlosophy® rinnova il proprio impegno verso la sostenibilità ambientale attraverso l'utilizzo di materiali atossici e certificati e la collaborazione con partner selezionati, che condividono gli stessi standard qualitativi e valoriali. L'attenzione alle persone, alle iniziative sociali e alle attività di welfare contribuisce a definire un'azienda capace di guardare al futuro con sensibilità, responsabilità sociale e visione

EN The Sitlosophy® project is rooted in family experience and tradition, combining artisanal excellence with a contemporary perspective. Made in Italy is a core value of the brand, ensuring quality, care for detail, and attention throughout every stage of the production process. Sitlosophy® renews its commitment to environmental sustainability through the use of non-toxic, certified materials and by collaborating with carefully selected partners who share the same standards of quality and values. Attention to people, social initiatives, and corporate welfare programs contribute to defining a company that looks to the future with sensitivity, responsibility, and vision.

FR Le projet Sitlosophy® est né de l'expérience et de la tradition familiale, alliant excellence artisanale et vision contemporaine. Le Made in Italy constitue l'une des valeurs fondamentales de la marque, garantissant qualité, souci du détail et rigueur à chaque étape du processus de production. Sitlosophy® renouvelle son engagement en faveur du développement durable, à travers l'utilisation de matériaux non toxiques et certifiés, ainsi que la collaboration avec des partenaires sélectionnés partageant les mêmes exigences qualitatives et valeurs. L'attention portée aux personnes, aux initiatives sociales et aux actions de bien- être en entreprise contribue à définir une société tournée vers l'avenir, avec sensibilité, responsabilité et vision.

SADEL

DESIGN | ALESSANDRO CROSERA

Volumi pieni dalla forma accogliente per Sadel, divano modulare dall'impatto visivo monolitico. Il segno grafico distintivo del progetto si concentra nei braccioli e schienali che adottano una originale forma a sella | Generous, welcoming volumes define Sadel, a modular sofa with a strong monolithic presence. The project's distinctive graphic identity is expressed through the armrests and backrests, which feature an original saddle-shaped design. | Des volumes pleins et accueillants donnent à Sadel une présence monolithique affirmée. Le caractère distinctif du projet s'exprime dans le design des accoudoirs et des dossiers, qui adoptent une forme en selle, à la fois originale et reconnaissable.
